**To all and everyone involved in the Concert in the Castle – 21<sup>st</sup> May 2022**

It would be nearly impossible to contact everyone, personally, that was involved in the preparation, performance and stewarding of the wonderful Concert in the Castle last evening but please accept this shared letter as my very best attempt to do so.

What a fantastic evening!

The venue, the entertainment and the care and attention that went in to the evening was tremendous. To see so many of our family and friends having a thoroughly good time was brilliant and the happy atmosphere surrounding the whole evening was something I have not witnessed to that extent before within our Province. Everyone I spoke to was so complimentary about the whole experience and was asking the inevitable question, "Are we doing this again next year?". That question is, perhaps, for another occasion but I wanted to express my personal thanks to everyone involved for making this such a showpiece event.

Ultimately, once the dust has settled, there is likely to be an amount raised in support of the 2025 Festival and that will provide a welcome boost to the fundraising efforts designed to deliver positive outcomes both within our organisation and the wider community. However, after the trials and difficulties of the last couple of years, my measure of success was to see so many people gathered together, simply enjoying the whole evening.

Thank you again for your contribution. I am very proud to be the leader of such a magnificent team.

Yours sincerely and fraternally
