MCF2025 Festival Update for Royal Arch Chapters

Dear Companions,

I hope you are all well and have enjoyed your summer break

Whilst our Chapters were not set any aspiration to achieve for the 2025 Festival, 29 of our 33 Royal Arch Chapters have contributed to the festival to date, combining to raise almost £50,000 through regular payment pledges, donations and the use of gift aid envelopes. This magnificent support will enable the MCF to provide much-needed help to Brethren, Companions and communities within Lincolnshire.

I would like to thank all contributing Chapters for their continued assistance and generosity and I encourage all Chapters, where possible, to use the gift aid envelopes at their meetings or festive boards.

Thank you Companions, for your valuable commitment to the 2025 Festival, so far, which is greatly appreciated.

Best wishes

David M. Wheeler
