

HORNCastle Masonic Hall - Additional Details

Main road access to the Masonic Hall is via East Street (A158). Turn into Stanhope Road (opposite an old church which is now an antiques centre) then left after a few metres and along Banks Road/Banks Street (no parking).

The Masonic Hall is on the corner of Banks Street and Stonewell Row. The Masonic Hall car park is at the end of Stonewell Row. Parking capacity is limited, so early arrival is recommended. There is a right of way through the car park to Old Nick's Tavern. Please avoid blocking access as it may create disruptions to meetings at the Masonic Hall.

The Stonewell Row area is quite compact, so please be mindful of resident parking and access.

There may be some parking space at the approach the Bull Hotel, but please note that the hotel car park is for residents only.

On-road parking is available within the town, as well as some public car parks (see map).
