To Lodge Secretaries and Chapter Scribes

Re: Posting Items on the Internet

Dear Brother Secretaries and Scribes

Please circulate this to the brethren and companions of your lodges and chapters to remind them that when posting comments and images on websites, they seriously consider how different groups may interpret the information and the possibility that it may cause offence and the possibility of bringing Freemasonry into disrepute.

A little forethought goes a long way and can prevent the possibility of causing offence, or unfavourable interpretations, causing a complaint to be submitted to this office and thus avoiding the possibility of the PGM becoming involved, facing a Masonic Conduct Inquiry and the possibility of incurring masonic sanctions which could damage a promising masonic future.

Yours Sincerely and Fraternally

Anthony D. Miller
Provincial Grand Secretary

Mark R. C. French
Provincial Grand Scribe E
